President’s Report

Can you believe it’s July already?

Time really slowed down during COVID, we were stuck at home and didn’t really go anywhere. Then, many things opened up and here we are trying to play catch up!

Your MH351 Board of Directors voted to cancel the Zoom meeting for July and focus our attention on our goals for the rest of this year. We want to build our membership and grow our visiting team is at the top of our list. The nurses remind us how much they need our support because they can’t answer the vital questions for patients that we can. You all know exactly what I mean...that's why I do what I do. Next, we are looking for meeting places and new speakers. We always welcome your ideas because we grow together when we work together to help our communities! You are welcome to join our Board Meetings to share your ideas. The hospital welcomed us back with OPEN ARMS. They need our support and Susan Serrano, who runs Special Programs set up a window display for MH in the hall across from surgery waiting. She told me we needed to make a statement and she was there to help! That was amazing!

Our gatherings will be supportive and fun as you can see by the pictures from events on the following pages. This newsletter is shorter and we hope to get it out to you faster. We apologize for the delays in getting it out which is beyond our control. Please call us anytime you have questions or ideas to share. We look forward to seeing you at our next event in August! Blessings to you all and big hugs! Constance

## Mended Hearts Mission

July is National Watermelon Month
Fathers Day Event with a Charity Car Show on June 18, 2022 at Mountain Lakes Resort in Lytle Creek.

We were the charity they chose for donations and we are in awe of the wonderful people we met, the heart support we gave and the pictures of the “Car With The Most Heat” that we chose. The beautiful car belongs to a cancer survivor, who declined pictures of herself … only her pride and joy…her car!

The new WELCOME HOME program supports Congestive Heart Patients. There are other patients ready to help you and your family.

Mended Little Hearts® Program - In 2004, The Mended Hearts, Inc. recognized a unique need to provide hope and support to “the littlest heart patients of all” and their families, so the Mended Little Hearts program was created. Congenital heart defects (CHDs), or heart conditions babies are born with, are the #1 type of birth defect in the U.S., affecting 1 in every 110 people. About 40,000 new families are brought into the world of CHD each year. Mended Little Hearts is there – providing hope and support, creating awareness and being a strong voice for CHD families everywhere.

The MyHeartVisit® Accredited Visiting Program is a vital SUPPORT for patients and families. Our trained volunteers across the country, make more than 200,000 peer patient connections each year. Visitors will never give medical advice, but they can listen and share information about living with heart disease from a patient, parent or caregiver perspective. To learn more about the program, please visit www.Myheartvisit.org.
Someone in the Postal Service needs to be rewarded ... I just had to share this story!

A letter from the Post Office...

We don’t know who replied, but there is a beautiful soul working in the dead letter department who understands Love...

Our 14-year-old dog Abbey died last month. The day after she passed away my 4-year-old daughter Meredith was crying and talking about how much she missed Abbey. She asked if we could write a letter to God so that when Abbey got to Heaven, God would recognize her. I told her that I thought that we could, so she dictated these words:

Dear God,
Will you please take care of my dog?
Abbey died yesterday and is with you in heaven.
I miss her very much.
I’m happy that you let me have her as my dog even though she got sick.
I hope you will play with her. She likes to swim and play with balls.
I am sending a picture of her so when you see her you will know that she is my dog.
I really miss her.
Love,
Meredith

We put the letter in an envelope with a picture of Abbey & Meredith and addressed it to God/Heaven. We put our return address on it. Meredith pasted several stamps on the front of the envelope because she said it would take lots of stamps to get the letter all the way to heaven. That afternoon she dropped it into the letter box at the post office.

A few days later, she asked if God had gotten the letter yet. I told her that I thought He had.

Yesterday, there was a package wrapped in gold paper on our front porch addressed, ‘To Meredith’ in an unfamiliar hand. Meredith opened it.

Inside was a book by Mr. Rogers called, ‘When a Pet Dies.’ Taped to the inside front cover was the letter we had written to God in its opened envelope. On the opposite page was the picture of Abbey & Meredith and this note:

Dear Meredith,
Abbey arrived safely in heaven.
Having the picture was a big help and I recognized her right away.
Abbey isn’t sick anymore. Her spirit is here with me just like it stays in your heart.
Abbey loved being your dog.
Since we don’t need our bodies in heaven, I don’t have any pockets to keep your picture in so I’m sending it back to you in this little book for you to keep and have something to remember Abbey by.
Thank you for the beautiful letter and thank your mother for helping you write it and sending it to me.
What a wonderful mother you have. I picked her especially for you.
I send my blessings every day and remember that I love you very much.
By the way, I’m easy to find.
I am wherever there is love.
Love,
God

Una carta de correos...

_Nos sabemos quién respondió, pero hay un alma hermosa trabajando en el departamento de letra muerta que entiende el Amor..._

Nuestro perro Abbey, de 14 años, murió el mes pasado.

El día después de su muerte, mi hija Meredith, de 4 años, lloraba y hablaba de lo mucho que extrañaba a Abbey. Ella preguntó si podíamos escribir una carta a Dios para que cuando Abbey llegara al Cielo, Dios la reconociera.

Le dije que pensaba que podíamos, así que ella dictó estas palabras:

_Dios mío_  
¿Cuidarás de mi perro?  
Abbey murió ayer y está con ustedes en el cielo.  
La extraño mucho.  
Estoy feliz de que me hayas dejado tenerla como mi perra a pesar de que se enfermó.  
Espero que juegues con ella. Le gusta nadar y jugar con pelotas.  
Te envío una foto de ella para que cuando la veas sepas que es mi perra.  
Realmente la extraño.  
Amar  
Meredith_

Pusimos la carta en un sobre con una imagen de Abbey & Meredith y la dirigimos a Dios/Cielo.

Ponemos nuestra dirección de devolución en él. Meredith pegó varios sellos en la parte delantera del sobre porque dijo que se necesitarían muchos sellos para llevar la carta hasta el cielo.

Esa tarde lo dejó caer en el buzón de la oficina de correos.

Unos días más tarde, ella preguntó si Dios ya había recibido la carta. Le dije que creía que sí.

Ayer, había un paquete envuelto en papel dorado en nuestro porche delantero dirigido, 'A Meredith' en una mano desconocida. Meredith lo abrió.

Dentro había un libro del Sr. Rogers llamado, 'Cuando una mascota muere'.

Pegada a la portada interior estaba la carta que le habíamos escrito a Dios en su sobre abierto. En la página opuesta estaba la imagen de Abbey & Meredith y esta nota:

_Querida Meredith,_  
Abbey llegó a salvo al cielo. Tener la foto fue de gran ayuda y la reconoci de inmediato.  
Abbey ya no está enferma. Su espíritu está aquí conmigo al igual que se queda en tu corazón.  
A Abbey le encantaba ser tu perro.  
Como no necesitamos nuestros cuerpos en el cielo, no tengo bolsillos para guardar tu foto, así que te la devuelvo en este pequeño libro para que la guardes y tengas algo para recordar Abbey.  
Gracias por la hermosa carta y gracias a tu madre por ayudarte a escribirla y enviármela.  
Qué madre tan maravillosa tienes. La elegí especialmente para ti.  
Envío mis bendiciones todos los días y recuerdo que te amo mucho.  
Por cierto, soy fácil de encontrar.  
Estoy dondequiera que haya amor.  
Amar  
Gdo_
